

CRYSTAL IT PARTNERS WITH ADVANCED DIGITAL SOLUTIONS, LLC (ADS)

ADS becomes a Value Added Reseller of Crystal IT's Avert™ Access Control Solution

April 28, 2011

Crystal IT is pleased to announce the signing of an agreement with Advanced Digital Solutions, LLC (ADS). As the newest member of Crystal IT's Value Added Reseller network, ADS will provide North American sales, installation and support of Crystal IT's flagship endpoint access control and identity management solution - Avert Access Control.

"Together, we can reach a larger market of enterprises needing data security protection across their networks and infrastructure. We feel that ADS exhibits the same high standards as Crystal IT, and this partnership is a natural fit for both companies," says Greg DeMund, President and COO for Crystal IT.
